If either the appointing authority or the employee fails to appear at the place and on the day and the hour fixed for such hearing, the Board may, at its discretion, decide the issue involved on the basis of the evidence adduced and confined to the question whether such action taken against said employee was or was not for just cause as set forth in the provisions of Act 14.

The Board shall, within thirty (30) days after the filing of such notice of appeal, make, certify and file such complete transcript with the designated court and that court shall thereupon proceed to hear and determine such appeal in a summary manner; provided, however, that such hearing shall be confined to the determination of whether the decision made by the Board was or was not made for just cause under the provisions of Act 14 and no appeal to such court shall be taken except under such stated grounds.

SECTION 5 OATHS, SUBPOENAS, PRODUCTION OF RECORDS:

All applications for the issuance of subpoenas must be in the hands of the Board at least five (5) business days prior to the date established for the hearing and said application shall contain the full name and address of all persons to be subpoenaed.
RULE III
CLASSIFICATION PLAN

SECTION 1 CREATING CLASSES AND ALLOCATING POSITIONS:

1.1 Whenever, in the opinion of the Director, there is necessity for establishing a new class, or revising or abolishing an existing class in the classification plan, he may anticipate formal action of the Board by adding the new class or revising or abolishing an existing class. Such action shall be subject to ratification by the Board at its next regular meeting.

1.2 Hearings on appeals from allocations: If an employee believes that his position has been improperly allocated, he may protest the allocation by presenting such forms or documents as the Director may prescribe. The Director or any person designated by him may hold special hearings to determine the facts of each case and the Director shall make his decision on the basis of the written statements and forms presented by the employee and on the facts brought out in the hearing. Employees shall have the right to appeal to the Board if dissatisfied with the action of the Director after filing a written request with the Director for said hearing.

SECTION 2 FORCE AND EFFECT OF CLASSES:

2.1 The specifications of the classes of positions in the classification plan, and their various parts, shall have the following force and effect:

(a). In a class specification, the use of a particular expression or illustration as to duties shall not be held to exclude others not mentioned that are of similar kind or quality.

(b). In determining the class to which any position should be allocated, the class specifications shall be considered as a whole. Consideration shall be given to the general duties, specific tasks, responsibilities, qualification requirements, and relations to other classes, as together affording a picture of the kind of employment that the class is intended to embrace.

(c). Qualifications commonly required for positions of different classes; such as acceptable physical conditions, freedom from disabling defects, United States citizenship, qualified voter if twenty-one (21) or over, honesty, sobriety, and industry, shall be
deemed to be implied as qualification requirements for entrance to each class even though they are not specifically mentioned in the specifications.

(d). Code numbers assigned to each class of positions by the Director of Personnel may be used in all official records of the city in place of the actual title.

SECTION 3  STATUS OF INCUMBENT WHEN DUTIES INCREASE:

3.1 Subject to approval by the Board, when a position is allocated to a higher class because of a gradual change in its duties, and the Director deems it impracticable to hold an examination to fill the position, the incumbent, if a regular employee, may continue to occupy the position under the higher classification on a permanent basis provided he meets the minimum qualifications for that position.
RULE V

EXAMINATIONS

SECTION 1 APPOINTMENT OF EXaminERS AND PREPARATION OF EXAMINATIONS:

1.1 The Director may select officers or employees in the city service to act as examiners in the preparation and rating of tests. An appointing authority shall excuse any employee in his Department from his regular duties for the time required for his work as an examiner. Officers and employees shall not be entitled to extra pay for their services as examiners.

1.2 The Director, may, for the purpose of assisting in the examination of candidates for positions of high responsibility and positions requiring unusual qualities or qualifications, retain the services of persons from within or without the city who, because of their experience or for other reasons, have special acquaintance with the qualities requisite for such positions.

SECTION 2 ADMISSION TO EXAMINATIONS:

2.1 All examinations held by and under the authority of the Civil Service Board shall be open only to citizens of Acadia Parish, unless this requirement is specifically waived on an announcement of examination by approval of the Board, or unless the applicant is a provisional employee of the City of Rayne and has been continuously so since the effective date of these rules. The minimum age for entrance to any and all examinations shall be eighteen (18) years of age and if twenty-one (21) or over the applicant must be a qualified voter.

2.2 In all tests for original entrance, preference is to be given both by the Board and the appointing authority to a qualified voter of the City of Rayne when all things are relatively equal in respect to ability, experience, training, and education, as compared to a non-resident of the City of Rayne.

2.3 The Director shall give written notice at least fifteen (15) days in advance of any test for appointment by posting the same on the bulletin boards of the three (3) Municipal Departments and by mailing a notice to the heads of administrative and operating departments, whose duty it shall be to post on their respective bulletin boards on the date received. All such notices shall remain posted to and including the date specified by the Director. The Director
may also advertise tests in newspapers, professional and trade publications, post notices thereof in schools and colleges, and employ any other methods of publicizing tests which he considers appropriate.

2.4 The Director shall reject any application filed after the time fixed for closing receipt of applications, or after a specified number of applications, announced in the public notice of the tests, has been received.

2.5 The Director, subject to the rules, may reject the application of any person for admission to any test of fitness or refuse to test any applicant, or may cancel the eligibility of any eligible on any employment list, who is found to lack any of the qualifications prescribed as requirements for admission to the tests for the class for which he has applied, or because his character or reputation is deemed unfit for employment in that class, or who is physically or mentally unfit to perform effectively the duties of a position of the class, or who is addicted to the habitual use of drugs or intoxicating liquors to excess, or who has been adjudged guilty of a crime involving moral turpitude or infamous or notoriously disgraceful conduct, or who has been dismissed from the public service for delinquency or misconduct, or who has made a false statement of any material fact or has practiced or attempted to practice deception or fraud in his application or his tests or otherwise in securing eligibility for appointment or attempting to do so. Any such facts shall also be considered cause for removal of any employee.

2.6 The time fixed for closing receipt of applications shall be twelve o'clock noon on the date announced in the public notice of tests. Applications received in the office of Civil Service after this time shall be rejected.

2.7 If the date for closing receipt of applications should fall on a legal holiday recognized by the government of the City of Rayne, then the official closing date shall be the next business day following the holiday.

2.8 Military preference: Five (5) points shall be added to the grade of examinations for all examinees with military service under honorable conditions provided that the points may be added only after a passing grade or score is attained. Examinees claiming preference under the provisions of this rule must present discharge papers to the Director for inspection.
2.9 Within sixty (60) days after the date on which a test is held, the Director shall complete the rating and prepare the list or lists of results and notify all applicants of their status on the tests.

SECTION 3 CONTINUOUS EXAMINATIONS:

3.1 The Director may, subject to these rules, hold examinations for which no final filing date has been set, which will be given on more than one (1) date, and from which the resulting employment list is an open list. In providing means by which continuous examinations for a class of positions shall be held, the Director may determine the length of time to be elapsed before a candidate may reapply for an examination for which he failed to qualify as an eligible.

SECTION 4 RESULTS OF EXAMINATIONS:

4.1 Method of breaking ties in rating: If two (2) or more eligibles have final ratings which are identical, priority standing on the list shall be determined on the following bases, which shall be used in the order named as far as may be necessary to break the tie: (1) persons granted military preference under the rules; (2) persons receiving the higher scored on their written tests; (3) persons receiving the higher scores on their performance tests; (4) persons receiving the higher ratings on training and experience; (5) persons whose completed official applications were received first in the office of Civil Service. Should a complete tie still exist after application of this system all shall be given identical ranks on the eligible list.

4.2 Residency preference: Examinees passing the examination shall be placed on the eligible list in the order of their grades from the highest to the lowest, however, when residents of the City of Rayne are on such eligible lists with non-residents, the resident examinees shall be placed above all non-residents in order of their scores. Under no conditions shall a resident employee failing to make a passing grade be placed on an eligible list.

4.3 Open lists: The order of names on an open list, and the period for which an eligible's name shall remain on an open list, shall be governed by the following: (1) the period of eligibility for each person on such lists shall be six months, unless extended in accordance with Section 5.3 of this rule; (2) eligibles shall be listed on the employment list in accordance with their highest rating on the examination, subject to the provisions of Section 4.2 of this rule.
4.4 The Director shall keep the papers and other documents of candidates for examinations available for their inspection for a period of thirty (30) days after the date of notification of test results. Persons requesting an opportunity to inspect their papers or other documents shall arrange for an appointment in the manner and on the forms prescribed by the Director.

4.5 A manifest error in rating a test shall be corrected if called to the attention of the Director within thirty (30) days after the establishment of the list, but such correction shall not invalidate any appointment previously made from such a list.

SECTION 5 ESTABLISHMENT OF PROMOTION LISTS AND EMPLOYMENT LISTS:

5.1 On every promotion and employment list the eligibles shall be ranked in the order of their ratings earned in the examination given for the purpose of establishing the list.

5.2 The Director shall determine at the time any promotion or employment list is established, the period during which the list shall remain in force, which shall be not less than six (6) months nor more than three (3) years.

5.3 The period during which any list may remain in force may be extended by the Director, but no list may be extended for a period longer than three years from the date of the original establishment thereof.

5.4 Promotion Lists: Such lists may be established on a service-wide, or a Departmental-wide basis as determined by the Director in cooperation with the appointing authorities.

SECTION 6 POSTPONEMENT AND CANCELLATION OF TESTS:

1.2 Preference shall be given to the methods named in the order in which they are named above, under the conditions and subject to the restrictions and limitations set forth in the rules.

1.3 A vacancy shall be considered filled under any of the methods specified, as of the date on which the appointment is made and employment thereunder shall be effective as of the date on which the employee enters on the duties of the position as directed by the appointing authority.

No employee shall be transferred from a position in one (1) class to a position in another class having a higher minimum salary. Any change of an employee from a position in one (1) class to a position in a class having a lower minimum salary shall be considered a demotion.

1.5 Reassignment: An employee may be changed within the same Municipal Department from a position in one (1) class to another position in a different class provided both classes have the same minimum rate of pay and the employee meets the minimum requirements for the class of positions he is being reassigned to. Reassignments must be approved by the Director in order to verify the employees qualifications.

SECTION 2 REQUEST FOR CERTIFICATION:

2.1 Anticipation of need: Insofar as practicable, each vacancy shall be anticipated sufficiently in advance to permit the Director to determine who may be available for appointment, and, if necessary, to prepare a class specification, and to establish a list of eligibles.
2.2 Selective certification: The appointing authority may request certification of eligibles requiring special abilities over and above the qualification requirements of a given class to fill a position for which such special ability is desirable or specific age ranges he deems desirable. If the Director approves such requests he shall require the special ability or age range on the announcement for examination. Nothing in said selective certification shall be approved that is contrary to the purpose and intent of Act 288 of 1958 or any rule adopted hereunder.

SECTION 3 CERTIFICATION OF ELIGIBLES:

Names shall be certified from each list in the order of their rank on that list.

3.3 Within ten (10) days after such names are certified, the appointing authority shall appoint one (1) of those whose names are certified to each vacancy which he is to fill. In each case of an acceptance of an appointment, such appointment shall become effective as of the date on which the appointment is made.

3.4 If the appropriate lists do not contain the names of a sufficient number of eligibles willing to accept appointment to make possible the certification of three (3) eligible persons, the names of all persons on such lists who are willing to accept appointment shall be certified.

3.5 Where fewer than three (3) names are certified to fill a vacancy, the appointing authority may make his appointment from the names certified. If he does not wish to make an
appointment from the names certified, he may make a temporary appointment of any person he chooses.

3.6 When a vacancy is to be filled in a position of a class for which there are no eligibles available for certification, the appointing authority may make a temporary appointment.

3.7 Part time employees: Appointing authorities may make appointments for project or seasonal work without compliance with all the requirements of these rules provided that such appointments must be approved by the Director prior to commencement of work and such employees shall be paid on an hourly basis and their employment cannot exceed six (6) months in duration in any consecutive twelve (12) month period.

In case two (2) or more employees have equal service in that position, the person who has the greatest number of years of continuous service in city employment shall be ranked highest. Until his re-employment is affected within the Department from which he was separated, or until his period of eligibility has lapsed, his name shall be certified on a service-wide basis to vacancies in that class of positions.

SECTION 3 LAYOFFS:

3.1 Whenever a position in the classified service is abolished by the governing authority because of stoppage of work, or for lack of funds, or for other causes, the employee in the department involved, of the class affected, who has the least service in that position and class shall be laid off first. The name of such employee so laid off shall be put on the re-employment list in the order in which laid off, namely those with the least seniority at the bottom of the list.
SECTION 1  PAYROLL AND ATTENDANCE RECORDS:

1.1 It shall be the duty of the appointing authorities to install a system of payroll records. Each payroll shall show the name of the employee, the official class title, the period for which payment is proposed, the rate of pay, and the amount of proposed payment. Such system(s) shall be so designed as to facilitate the maintenance of adequate personnel records and to eliminate duplication of accounting and reporting to the fullest extent practicable.

1.2 The appointing authority or his delegated representative shall certify on each payroll or subsidiary document the fact of continuance of authorized employment of a person in a position, the fact of the actual rendering of service in the position or absence from duty with pay on duly authorized leave, the actual number of hours of attendance on duty or other satisfactory way of describing the time worked in the payroll period.

1.3 No payment for personal services shall be made by any Department or fiscal officer thereof to any employee in the classified Civil Service of the City until after certification by the Director or designated representative in his absence that such payment is authorized and is in conformity with these rules. The Director's approval on forms relating to personnel transactions shall constitute certification within the meaning of this rule.

1.4 The forms prescribed by the Director shall also be used for the authorization for the continuance of the name of the person on a Department payroll. Any change in the status of an employee shall be promptly reported to the Director on the prescribed forms, and when approved by the Director, such forms shall constitute proper authorization for the corresponding change in status of such employee.

1.5 If the Director in any case finds that a person has been employed in any position in violation of any provisions of the law or these rules, he shall so notify the responsible fiscal officer and such officer shall not issue payment to such person.
SECTION 2 APPOINTMENT FORMS:

2.1 The Director shall prescribe forms on which appointing authority shall certify the fact or lawful creation of a position and the fact of lawful appointment of a person to the position. The Director shall also indicate on these forms the proper allocation of the position and the rate of pay at which payment is to be made. These forms shall constitute authorization for the initial placement of the name of a person on a payroll. No person shall then be removed from a payroll, except in accordance with the law and these rules.

SECTION 3 LEAVE RECORDS:

3.1 The appointing authority shall, with the advice and assistance of the Director install and maintain a leave record showing, for each employee who holds a position in the classified service, (1) vacation earned, used and unused, (2) sick leave earned, used and unused, and (3) any special leave or other leave, with or without pay. Such record shall be documentary evidence to support and justify the certification of authorized leave of absence with or without pay.

SECTION 4 EXAMINATION OF PERSONNEL RECORDS:

4.1 The Director shall, from time to time, examine Departmental payrolls and related records to determine whether or not the persons on such payrolls have been appointed, transferred, reinstated, continued or otherwise employed in violation of any provision of the law and rules and determine if employees are being paid at a rate other than the duly authorized rate.

SECTION 5 RECORDS OF THE OFFICE OF CIVIL SERVICE:

5.1 Except as specifically provided in this rule, the records of the Civil Service Board shall be public records and shall be open to public inspection during office hours. For reasons of public policy the following records shall be held confidential:

(a). Examinations, examination materials, test and the results of tests, except as provided in Rule V, Section 4.4.

(b). Confidential reports and investigations on the character personality and history of employees or candidates for positions in the City service.
RULE XI

PROHIBITIONS AGAINST POLITICAL ACTIVITIES

SECTION 1 PROHIBITED ACTIVITIES:

Political activities by and extending to employees of the classified service are prohibited as follows:

1.1 No person shall seek or attempt to use any political endorsement in connection with any appointment to a position in the classified service.

1.2 No person shall use or promise to use, directly or indirectly, any official authority or influence, whether possessed or anticipated, to secure or attempt to secure for any person an appointment or advantage in appointment to a position in the classified service, or an increase in pay or other advantage in employment in any such position, for the purpose of influencing the vote or political action of any person, or for any consideration.

1.3 No employee in the classified service shall, directly or indirectly, pay or promise to pay any assessment, subscription, or contribution for any political organization or purpose, or solicit or take part in soliciting any such assessment, subscription, or contribution; and, no person shall solicit any such assessment, subscription, or contribution of any employee in classified service; provided, however, the prohibitions of this subsection shall not be construed as applying to membership dues paid to, or contribution made to, pension funds, civil enterprises, the Louisiana Civil Service League, an association or union of public employees, or any similar non-political and non-partisan organization.

1.4 No employee in the classified service shall be a member of any national, state or local committee of a political party, or an officer or member of a committee of any factional or political club or organization, or a candidate for nomination or election to public office, or shall make any political speech in behalf of any candidate seeking to be elected to public office, or shall take part in the management of affairs of any political party or in the political campaign of any candidate for public office, except to express his opinion privately and to cast his vote.

1.5 No person elected to public office shall, while serving in such elective office, be appointed to or hold any position in the classified service.
1.6 No appointing authority, or agent or deputy thereof, shall directly or indirectly demote, suspend, discharge, or otherwise discipline, or discriminate against any person in the classified service for the purpose of influencing his vote, support, or other political activity in any election or primary election; and no appointing authority, or agent or deputy thereof shall use his official authority or influence, by threats, promises, or other means, directly or indirectly, to coerce the political action of any employee in the classified service.

1.7 It shall be the duty of the appointing authority to discharge or suspend from the service or reprimand any employee whom he deems guilty of violating any one or more of the provisions of this section; provided, however, the Board may, upon its own initiative, investigate any officer or employee in the classified service whom it reasonably believes guilty of violating any one or more of the said provisions. It is further provided that any citizen, taxpayer, municipal officer or employee may file with the Board detailed charges in writing against any employee in the classified service for violating any one or more of the provisions of this section; and, the Board shall, within thirty (30) days after receiving such written charges, hold a public hearing and investigation; and determine whether or not such charges are true and correct. If the Board should find upon its investigation of any said employee that he has violated any one or more of the foregoing provisions, the Board shall, and it is hereby so empowered, order the appointing authority to forthwith discharge, suspend or reprimand such guilty employee from the service or to suspend or reprimand him; and the appointing authority shall forthwith discharge, suspend or reprimand such employee.

1.8 Any appointing authority, agent or deputy thereof, classified employee, or any other person who violated any provisions of this section shall be guilty of a misdemeanor; and, upon conviction thereof, shall be subject to the penalties provided in Section 30 of Act 14 of 1963.

SECTION 2 REPORT OF VIOLATIONS:

2.1 It shall be the duty of any employee or city official to report promptly in writing any violation of the provisions of this rule to the Director, whose duty it shall be to make a thorough investigation concerning the alleged violations and to report his findings to the Civil Service Board.
SECTION 3 BOARD ACTION ON VIOLATIONS:

3.1 The Civil Service Board, on its own initiative, may at any time investigate any violations of the provisions of this rule by any person. The Civil Service Board, upon the filing of written charges by any person of such violation within one (1) year after the alleged violation, shall investigate such charges. Within thirty (30) days after the filing of the charges as herein provided, the Board shall hold a public hearing concerning these charges. If the Board, after public hearing in an investigation instituted either on its own initiative or after charges, shall determine that the person or persons under inquiry have violated any of the provisions of this rule, the Board is empowered, in its discretion, to direct the appointing authority having power and supervision over any offending officer or employee in the City service, forthwith to suspend without pay for any period of time it may designate or to dismiss such officer or employee, and such officer or employee shall be suspended or dismissed as directed by the Board.
RULE XII.

SEVERABILITY

If any provision or provisions of these rules, or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect the legality of the remainder of these rules.
